

**Certificate of Compliance regarding American Predator's
RoHS Products**

American Predator certifies that, to the best of its knowledge and belief, the products designated to be RoHS compliant conform to the requirements of the European Union Restriction on the use of Hazardous Substances (RoHS) Directive, 2002/95/EC, as indicated in the table below.

| Banned Substances | RoHS Proposed Maximum Limit (PPM) by weight in homogenous materials |
|---|--|
| Cadmium (Cd) | 100 |
| Lead (Pb) | 1000 |
| Mercury (Hg) | 1000 |
| Hexavalent Chromium (Cr ₆₊) | 1000 |
| Poly Brominated Byphenyls (PBB) | 1000 |
| Poly Brominated Diphenyl Ethers (PBDE) | 1000 |

American Predator's knowledge and beliefs are based on information provided by third parties, and the company makes no representation or warranty as to the accuracy of such information and has not conducted destructive testing or chemical analysis on incoming materials.

American Predator maintains documentation on all its RoHS compliant products, including Certificates of Compliance and/or Material Declaration from all its suppliers, including the component suppliers, the PCB suppliers and the contract manufacturers.

This certificate reflects APC's understanding of the RoHS directive and knowledge of the materials that go into its products as of the date of this certificate.
